Adrian J. Wells, widely known as "AJ," is a native of Nashville, TN, who is on fire for God. AJ has been singing since the age of five and realized, at a young age, that he was called to a life of ministry. AJ made his mark on the music industry at 16yrs old - singing with Light Records Recording Artist, Judah Generation. On that debut project, he led their radio hit, "The Blood Medley." Since then, AJ has been serving God, and many others, as an ordained minister around this country; through his music and the proclaimed word.

The musical gifting of Min. Wells has opened the door, through the favor of God, to be noted as the First African American to hold the position of Director of Worship and Arts for the California Southern Baptist Convention. AJ also served as The Director of the Gospel Choir at The Rock Church in San Diego, CA. This opportunity led to his position as Worship Arts Director of The New Seasons Church in San Diego, CA; where he served for 4yrs. AJ has also served on background vocals for many Christian and Secular artists including live recordings, tours, Dove/ Stellar awards, and other special events.

Minister Adrian "AJ" Wells released his anticipated debut project in October of 2012, entitled "Set Aside," with his San Diego friends, Endless Worship. This is a fun, high energy, uplifting project that's sure to get you dancing for Jesus while drawing you closer to his heart. The project is now available on iTunes, amazon.com, and CD baby.
